Odolwa, the Marsh God

What's wrong?!

Hey, you!!

I can't breathe...
My body's going numb!

Poison water?!

Kyaa!

Don't worry!
We'll help him!

Wake up--!!

This spring has clean water! Tourists put it in bottles and take it home with them!

Where are you taking him?!

One-two! One-two!

Hah... Haa...

Are you coming around?

I worried about you a little bit and you IGNORE me! Hmph!

Th... Thanks a lot.

We cleaned you up in this clean water, so you should be okay now. At that rate, you would've died.

What's your name?

Link.

Not Ask them!

What? You want a banana or something?

A banana? I want one!

Actually, since we saved your life, I have something to ask of you.

Not a problem, Mr. Link.

And then, she was kidnapped by a monster!

So, the princess of the Deku Nut palace went there to investigate.

We suspect the temple at the top of the waterfall. The poison's flowing from there.

Lately, poison has been spreading throughout this swamp, making it un-inhabitable.

ゼルダの伝説 ムジュラの仮面

At this rate, the princess will fall prey to the monsters!

Don't just decide on your own, Tatl.

They're monkeys, but they DID rescue you, so you've no choice but to listen to them.

Please! Kill the monster and save the princess!

The princess is our important, important friend! You have a sword and shield... are you strong?

The King may know something!

The person from the swamp that Tael was talking about...

I understand, but I'm also looking for someone. Before I go to the temple, I'd like to meet the King of the Deku Nuts.

Why? That's the kidnapped princess' castle, right?

You shouldn't go there... to the Deku Nut palace.

There must be something in that temple.

But, why is there poison water flowing out here?

This is the palace of the Deku Nut kingdom, pi!

They will be sacrifices!!

I'll show them what happens to those who lay a hand on a member of the royal family!

Silence, butler!

We don't have time for this! We must dispatch the guards to search for the princess!

You've gotta be kidding me!

LIGHT THE FIRES--!!

Deku Nut King! The princess was kidnapped by a monster in the temple! These guys are innocent!

So you're the one that kidnapped the princess! I won't forgive you!!

He's suspicious, pi!

An intruder, pi!

Go! Get outta here!

You idiot!!

...Er...

I am
Odoiwa,
the god
of
Wood-
fall.

Deku Nut
King! You
have been
neglecting to
bring me sac-
rifices!

So I
have
taken the
princess!

The
prin-
cess?!

Oh, god,
please
forgive us!

I shall
not! I
will
punish
this entire
palace!

!?

This is all
a big mis-
under-
standing!!

W-Wait a
second!!

Huh? A
moth, pi.

AUGH

Oh great god!
Please calm your
anger!

Hot hot

I turn me
over!

Oooh~!

Nut country!

ゼルダの伝説 ムジュラの仮面

Yeah, I figured!
There's no way
there'd be a god
like him!

Hey,
you,
mon-
ster!!

Link! That's
the monster
that kidnapped
the princess!

Guys!

Wahh!!

Hey! There's
somebody sealed
into that bottle!

What?
?

That's the
princess'
voice!!

Huh?

Somebody save
meee~!

You're no match
for a monster
like him!

It's okay, Tatl.
Take a good
look at him!

All right,
here we
go!!

GOT IT!!

You may be
big, but your
techniques
are just like
any human's!

Curse
you, you
little--!

**KAI

Odolwa was
wearing a
mask, too?

His
face is
left...

*The Kaitengri attack loosely translates to "Spinning Slash".

A giant?!

Can you understand him, Tatl?

Hmm... It seems like he's trying to say something.

Something's being released...

WH-WHAT'S THAT?!

ゼルダの伝説 ムジュラの仮面

The giant that was sealed in the mask?

Maybe that was one of the "four" Tael was talking about.

Ah... He's leaving.

He wants us...
...to call.

"...Call... us..."

The water's clearing up!

Mr. Monkey, thank you for saving me!

Oh, princess, thank goodness!

Phew, what a tight squeeze!

Princess, you're safe! I was so worried!

Move it, monkey!

Oh, no, Deku Princess. It was my pleasure.

Your jumping to conclusions has been a nuisance to everyone again!
I saw from the bottle!

FATHER, YOU FOOL!

And, thank you. Because of you, our country was saved.

Master Link, I am so sorry for the problems we've caused for you.

Also, I'd like very much for you to stay at this castle.

Maybe now my father will reflect upon himself, and be a GOOD king.

?

Oh, I know you can't.

Well, that's...

Deku Princess?!

p. Please take care!

Could you, at least... put on the mask one more time?

sniff

It seems like the princess had a crush on him... Poor thing...

Yours, butler ?

When you wear that mask, you very much resemble my deceased son.

Thank you so much, Link! We'll never forget your kindness!

I see.

But, as long as that princess is here, this country will be okay!

I don't know, but... it seems that the whole world is in trouble because of Majora's curse.

Is this the curse of Majora's Mask?

Do you think that giant from before was sealed by Majora?

I'll use this and turn everything back to normal!

Okay, on to the next place! No horsing around!

Right! To the mountain!

Hey, you're all right, y'know that?

Yeah, and maybe we can meet the other three!
