Great Bay

The ocean!

It's the ocean!

This is the first time I've seen the ocean! It's huuge--!

Uh-oh! That's trouble!

I can't catch ANY fish out here lately! It's really bad for business! Ever since that weird cloud appeared out in Great Bay...

What's the matter, mister?

DAM-MIT!

A
pirate
ship?!

Oh, no!

Wait, no!
You still
need a boat!

H-Hey!
Over
there!

What a horrible wound...

Hey! Hang in there!

If I wait, it'll be too late!

D-Dammit... The ship...

Uh...

...Ugh...

The one who seems like he's gonna die is YOU! Now calm down.

What the heck happened?!

If we don't hurry and get it back... it'll die!

Please... After the pirates! The egg...

"Dal Blue"?
*

I'm Mikau of the Zoras. I'm the guitarist of Dal Blue.

It's the super-popular Zora band!

There was a poster for their concert in Clocktown!

Wow ...

We were rehearsing for our performance for the carnival...

Soon after the ocean turned weird, our vocalist Lulu laid a strange egg and lost her voice.

Moreover, the egg was suddenly stolen by pirates!

All right. I understand.
Now don't talk
anymore, Mikau.

It's frustrating, but...
I can't move
anymore. Please...
please get that egg
back!

Damn
it.

For being a
descendant of
a Zoran hero...
what a sight I
am.

You have good
music sense. You
should become a
member...

Ah, no!
You're too
weak!

I can't repay
you, but...
I'll play a
song.

Th-Thank
you.

Mikau...

Hey!

Aah... I
wanted
to
perform...
just once
more...

After
that
ship!

You
turned into
a Zora!

A legendary
guitarist
lies here

...with Lulu...
and every-
one...

Mistress Aveil, what's with the egg?

Heh.

This is the only key to getting into that gargantuan cloud floating offshore.

There's treasure sleeping under that cloud that we could play off of for the rest of our lives!

If what that little demon wearing the strange mask said is true...

Stal-
kid?!

All right!

Hey, look! Over there!

There are too many guards.

There's gotta be something I can do...

EEEKK!!

KYAA~!!

BEES!!

Yes!

It looks just like a giant pearl.

So this is a Zora egg!

Hold it, you!!

How'd you get in here?!

Messing with pirates like this... who are you?!

You'll pay for not dying!
Give me that egg!

I won't be done in that easily!

I've got the blood of Zoran heroes, after all!

You?! I thought I took care of you earlier!
!?

Waa aahh !!

Kyaa aaa aa!!

Oh, I've made it in time. Are you all right, Mikau?

L - Lake Professor?!

Hyaaa!!
Swim away!!

It told me of this sea's crisis.

That egg was calling, and I awoke from my long sleep as an island.

I'll take
good care
of the egg!
No worries!

Now then.
We've no
time.

Child of great
Zoran
warriors...

Your power is
needed off-
shore in Great
Bay.

Here
we
go!

This fog hinders
proceeding by
ship.

It's the
Giant
Masked
Fish, Gyorg!

Be careful
not to get
eaten!

Is this the third
one I have to
defeat?!

Mikau?!

Link! Use
the shield!

It's the power used by
Zoran heroes! You can
surround your body with
a barrier of electricity!

**EAT THIS,
GYORG!!**

All right!
Got it!

Lulu is a descendant of a clan that protected Great Bay long ago. That egg she laid was probably to let me know of the sea's crisis.

Her lost voice should return as well.

The fish!

The fish are swimming again!

The third one has been released!

The sea has returned to normal--!!

And yet, you risk your own life to save Termina from its crisis?

I know... You are a person that came from a different world.

Now the soul of the Zoran warrior can rest in peace.

You've done well, boy.

Well, it's certainly true that I lost my way and didn't really know anything...

I'm fighting for all of the friends I've made today.

Plus ...

But I can no longer say that I have no business with Termina's people.

Link, our
depend-
able
hero...
You will
surely be
able to stop
that moon...

Lulu, your voice
came back?
That's great--!

Mikau!
Where
were you?

Well, let's
continue
the
rehearsal!

We don't
have long
before the
concert!
Give it your
all!

But I was also
worried that I
wouldn't be
able to perform
live with Mikau
anymore!

How wonder-
ful! Of
course, I
was worried
about the
egg...

Dal
Blue is
the
best!
