Stop the Moon!

But, y'know... she's really worried. Maybe you should go and give her some relief..

Hey, Kafei, I understand your feelings...

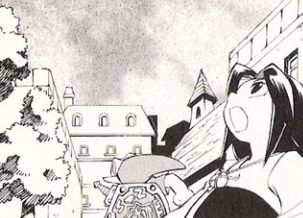

I made a promise to Anju. That'd I'd come back to her with the marriage mask...

I can't see Anju!!

You think I can see her looking like THIS?!

If I don't get that Stalkid to change me back, no matter what the cost...

No choice. We'll have to go together!

The moon's already falling!

Hold on for just a second.

She "believes in you and will wait for you"!

Oh, right! I have a message from Miss Anju!

There's no time left. Let's hurry and get to that clock tower!!

And I'm Tat!

Link.

Thank you.

Sorry for being rough on you before. Tell me your name.

Ho ho...

Just a little detour! I'll be back soon!

Tat?

But now, the real action begins.

Looks like they're after the little demon.

Then I can make a quick getaway.

Ho ho ho...

Once they get that mask back, I'll have no further business in this world.

Hmph! Every-
one around
here's a bunch
of cowards!

If you're gonna
fall, then go
ahead and fall,
moron!!

I will NOT
leave this
tower!

Well, either
way, it's
too late to
run away
now.

Yeah,
I guess
so.

Mom
says it
won't
fall.

Say, I wonder
what'll happen
with that
moon?

Just what
do you
plan to
do?!

MAYOR!

God, please
save those
children.

I know!
We'll give
them a
grand fire-
works
display!

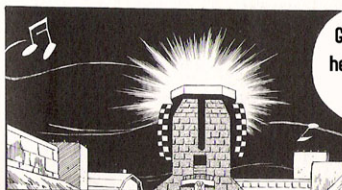

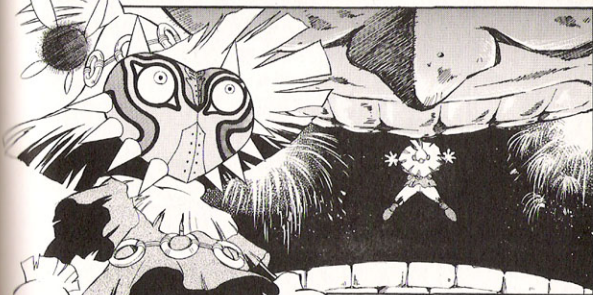

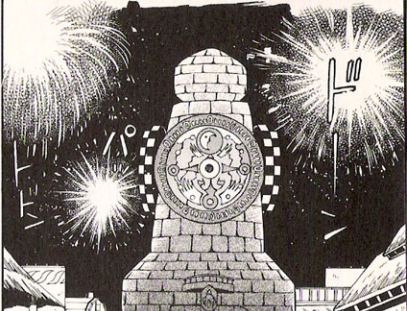

Well, we can at
least keep the
carnival open for
the remaining
people...

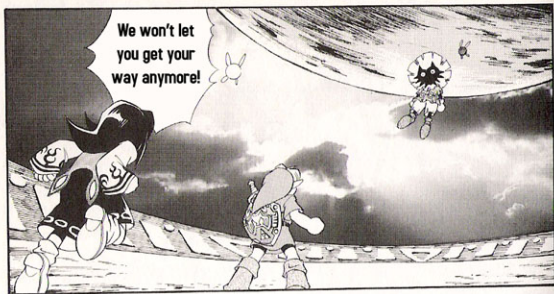

Mayor
Dotour!!

Aah..
Hmm..
But, my
wife...

I'll recommend
that everyone
in town take
shelter!

M-Miss Anju, what're you doing here?!

That's a woman's heart!

No matter what they look like, wanting to see the person you love even for just a moment...

Well, you guys don't understand anything!

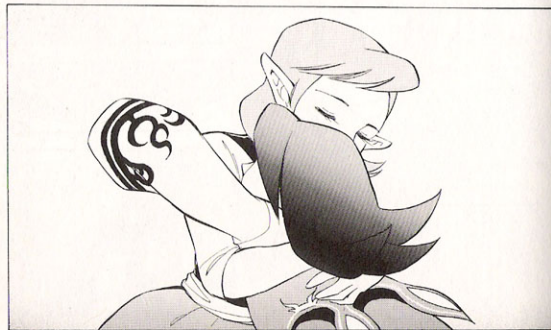

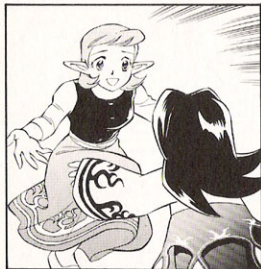

We--

Tat! did?!

The little fairy told me everything.

ゼルダの伝説 ムジュラの仮面

We'll be able to greet tomorrow together.

It's all right now.

STALKID!!
Enough! Stop!

Grr!

Dammit, don't do that in front of me..!

Heh heh. Though they're a couple, they look like a mother and child.

There's really nothing I can do for those two?!

I can't stop that moon!

You two, run for --

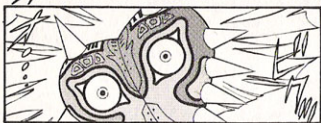

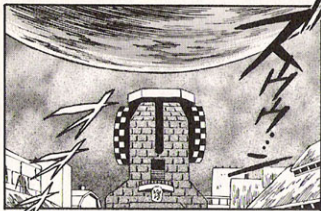

They were finally able to meet again, but if this keeps up...

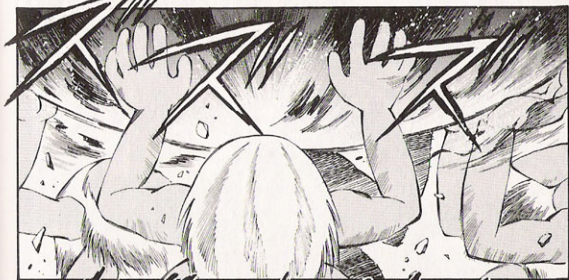

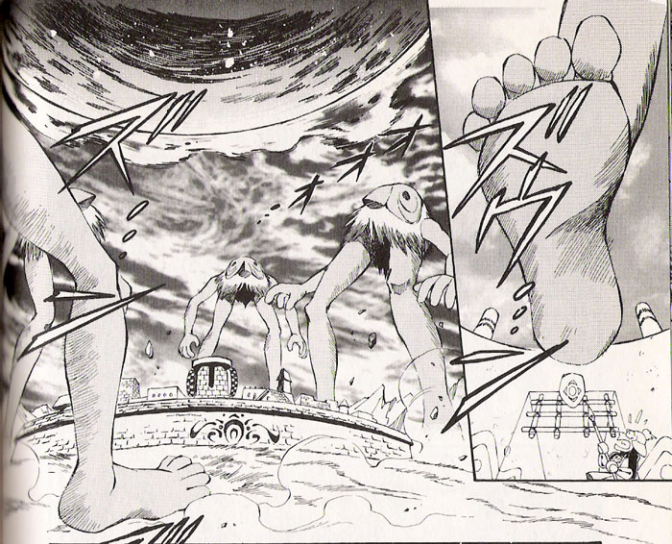

I've been fighting ever since I left the forest.. and I never once gave up--!!

My power alone is...

No!! This is meaningless!!
