ゼルダの伝説 時のオカリナ 上巻

The Triforce that holds the power of the gods, handed down from Hyrule's ancient times.

Tri-force?

It possesses the power to create a world that reflects the heart of the one who touches it.

If touched by a pure-hearted person, the world will become good and just.

But, with your courage, we may be able to crush that man's ambitions.

A crisis in Hyrule is drawing near...

We must not allow that darkhearted man to touch the Triforce!

If someone with a dark heart were to touch it, the world would be conquered by evil.

Learn about the outside world and grow, Link!

If it's you, you can do it!

...a scary guy like that...

But, why me?

...I can't fight...

There should be a princess there that has been chosen by the gods.

Go to Hyrule Castle.

Give this stone to the princess.

The Kokiri Emerald that that man wanted so much that he would curse me for it!

You should... make a shield from
my remains.
It should protect you from evil.

...Right.

I understand,
Great
Deku
Tree.

I believe in
you.

I'm
counting
on you,
Link.

Every-
one...

Good..
bye...

Great
Deku
Tree!!

Great
Deku
Tree...

Navi... Help
Link.

I ask of
you...

Let's go, Link!

Nice to meet you, Navi.

... Yeah.

Okay.

Mido, lend me that sword.

We Kokiri can't live outside the forest!

"Let's go"? Where're you going?

Just how big it is... What's out there...

With my own eyes.

I want to see the outside world, Mido.

Just take that sword!

Once I've delivered the spiritual stone, I'll come back.

Don't
come
back,
MORON!

And don't
you come
back!

You're
leaving,
aren't
you?

Saria...

Sa..
