Birth of the  
Hero of Time

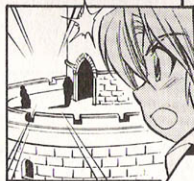

Ganondorf is starting a rebellion!

It's a coup d'etat!

I will obtain the power of the Triforce, and become the King of Hyrule.

No, the ruler of the entire world!

In order to save Hyrule, the Hero of Time will surely appear!

No, YOU never will.

To defeat you!

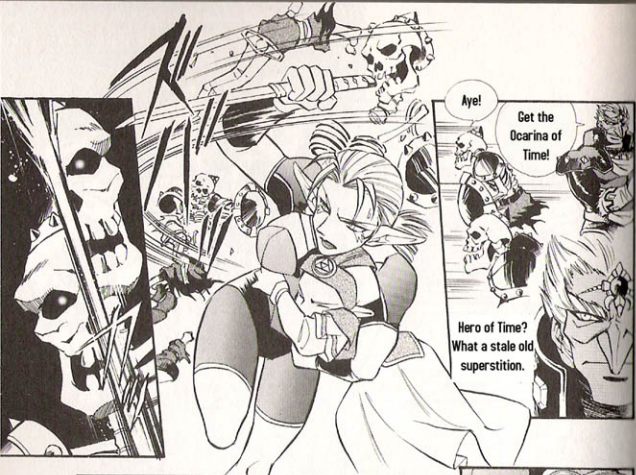

What... a...

...joke..\*

LITTLE GIRL!

\*This part was unbelievably hard to translate, and this is the best I came up with. If you have a better translation, let me know.

Aye!

Get the Ocarina of Time!

Hero of Time? What a stale old superstition.

I'm coming!!

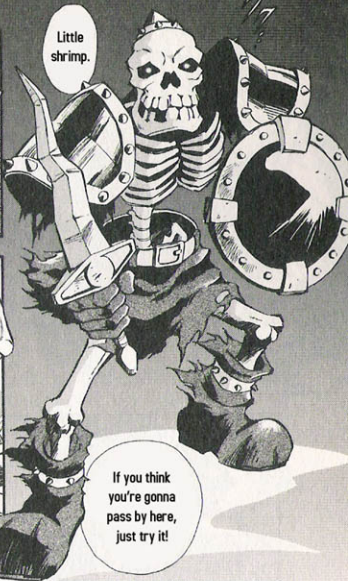

Get outta my way!

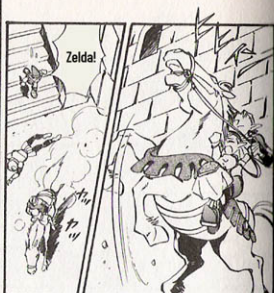

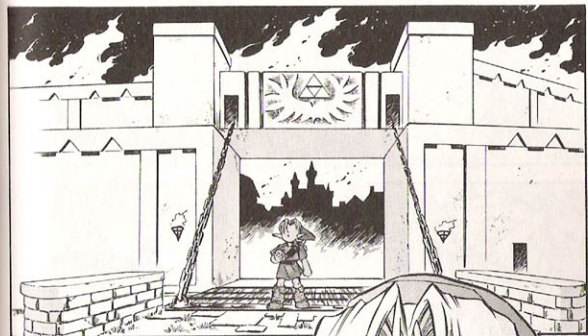

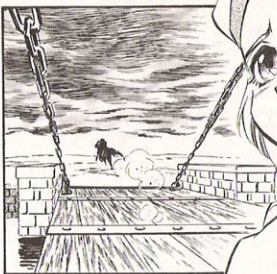

Zelda!!

LINK!!

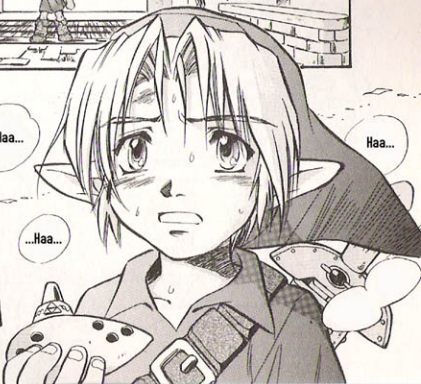

Haa...

Haa...

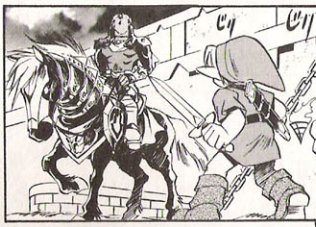

...Haa...

고  
고  
고

Give me that thing you picked up just now.

Kid.

Daa~!!

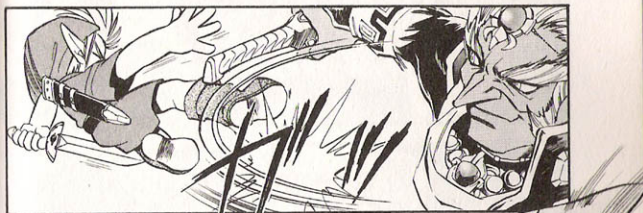

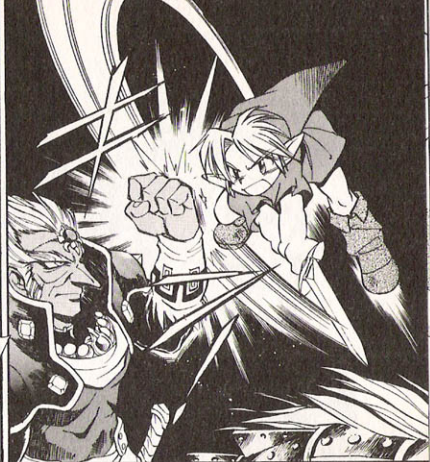

Eee!

Yaah!

Da-!

I am a child raised by the Great Deku Tree,

**LINK!!**

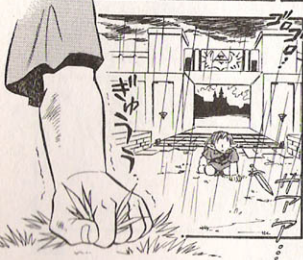

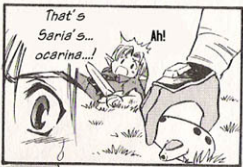

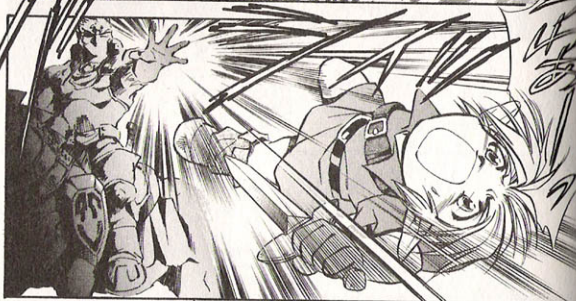

I AM a Kokiri!

You're the kid I saw at Hyrule Castle. Are you a Kokiri?  
...No, something's different...

Who are you?

You've got some serious guts to oppose ME.

Zelda

...

The key to opening the Door is this.

This Ocarina of Time.

The gate to the Sacred Realm is in the Temple of Time.

Let's try going to the Temple of Time, Navi.

Zelda left the Ocarina of Time behind.

Haa...

Haa...

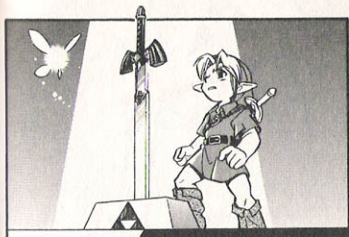

I can't, Great Deku Tree!

With this small body...

I'm no match for him!

What should I do?!

Can I  
defeat  
him?

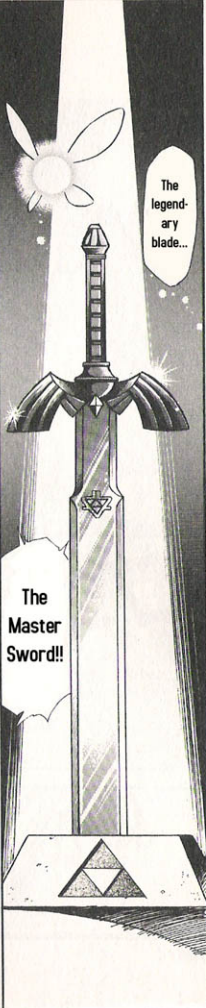

If I have  
this  
sword..

EE!!--!!

EEE-

The  
Master  
Sword!!

The  
legendary  
blade...

Link...

Awaken,  
Link, the  
chosen hero!

Hero?

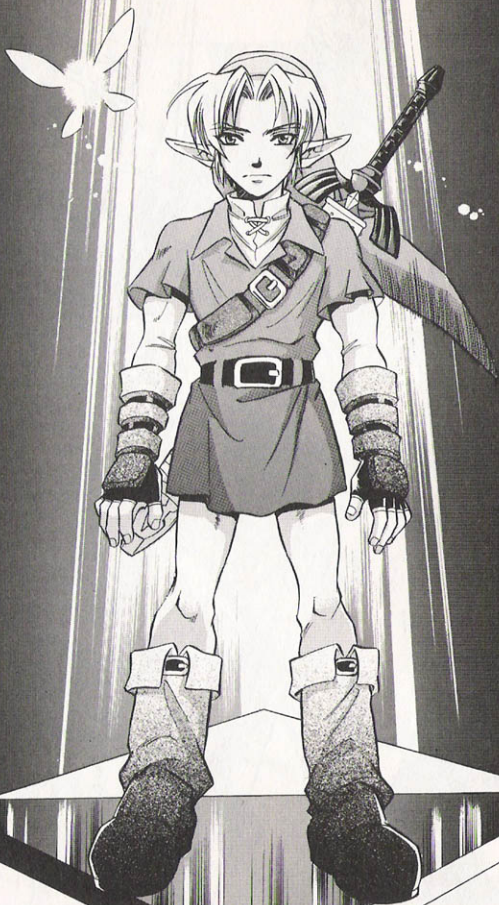

Who  
are you  
talking  
about?

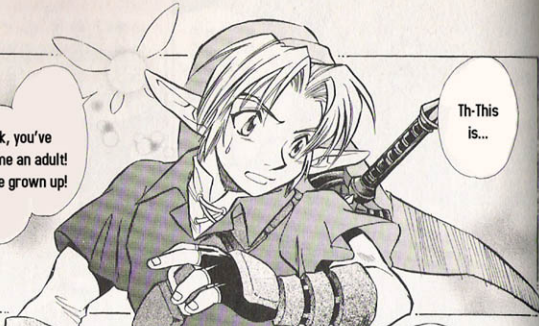

What  
?

What  
happened  
to me?

Ganon-  
dorf!!

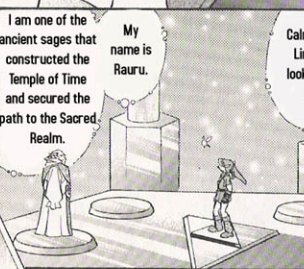

Wait  
!!

A young man with pointed ears and a sword on his back looks surprised and happy. He is wearing a dark tunic and a light-colored hood.

Link, you've become an adult!  
You've grown up!

Th-This is...

A large, ornate chamber with several pedestals. A small figure of Link is on one of the pedestals. A larger figure of a sage is on another pedestal.

I am one of the ancient sages that constructed the Temple of Time and secured the path to the Sacred Realm.

My name is Rauru.

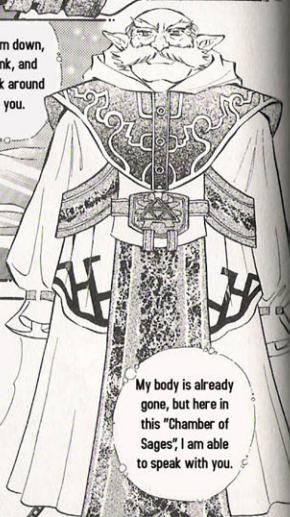

Calm down, Link, and look around you.

A large, glowing sword with a triangular emblem on its hilt, resting on a pedestal.

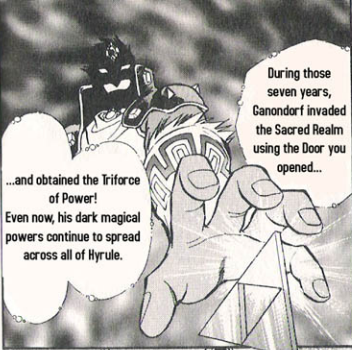

Only those qualified to become the "Hero of Time" can remove it from its pedestal.

That Master Sword is the holy blade that those with evil hearts could never touch.

What in the world happened to me? When I drew out the sword, I felt very far away...

A large, elderly man with a long white beard and pointed ears, wearing a white and gold robe.

My body is already gone, but here in this "Chamber of Sages", I am able to speak with you.

...and obtained the Triforce of Power!  
Even now, his dark magical powers continue to spread across all of Hyrule.

During those seven years, Ganondorf invaded the Sacred Realm using the Door you opened...

So, your soul slept here for seven years.

However, you were still too young to be the Hero of Time.

Seven ... years !?

If the sages and the Hero of Time combine their powers, the evil can surely be sealed away!

But there's a way to win!

You must break the seals on the five temples and awaken the five sages.

Wow, Link, that's amazing!

If the Great Deku Tree heard about this, he'd be surprised!

I'm... the Hero of Time?

You probably already noticed, but you are not a Kokiri.

You are of Hylian descent, just like Princess Zelda.

The Deku Tree already knew.

You were born into the guardian house that served the King of Hyrule.

Before the kingdom of Hyrule was united...

During the times of war...

However, your father, was killed in battle...

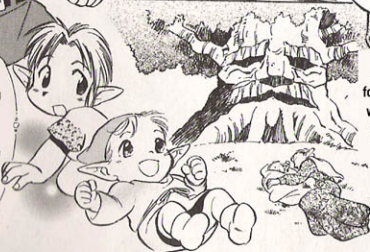

She desperately fled from the burning mansion.

Your mother, while bearing a heavy wound, carrying the baby you...

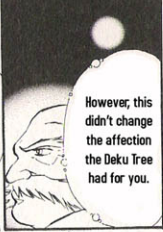

...and into the forbidden forest, where she then passed away.

The Deku Tree looked upon the baby...

I am...  
a Hylian.

However, this didn't change the affection the Deku Tree had for you.

He felt that the child had done something to do with Hyrule's future, and accepted him.

Someday, he would leave the forest, and fulfill his destiny...

That is your destiny.

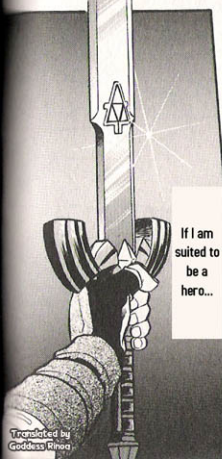

From now on... No, even more than before, you will be faced with many trials.

You must not feel bitter about it.

I do not.

I've become an adult, and gained power.

If I am suited to be a hero...

If this sword has chosen me...

Now, I can fight him as an equal.

I will fight.

And this time for sure...

I will definitely defeat Ganondorf.

I will protect Zelda!!
