

Why is the mark of the Triforce on the hand of Sheik, who's supposed to be a Sheikah?!

Sheik,
hang on!

第 7 話 The Destined Reunion

Link,
behind you!!

Dammit,
outta my
way!

Hmph. I'm a chivalrous thief.

I'm different from Ganondorf-type villains, y'see.

I'll back you up, Mister Hero!

What do you mean?

That was the blunt side.

Nabooru?!

I see ...

She was brainwashed by Twinrova, too.

Hurry and help him!

You leave this to me!

Curse you, Nabooru!!

You guys hurry and snap out of it!!

Thanks a lot!

What are you all doing?! Hurry and get them!!

M-My precious broom!!

Haaaa!
Think you can
escape?!

Epona!

I wonder if his wounds are okay?

Sheik has a surprisingly delicate body.

Let's hide here for now...

I saw an oasis back this way!

...There's gotta be some water around here.

Why am I acting so flustered?

Ow-ow

Ugh...

I found
a
spring!

...Impa?

Impa,
where
are-?

...
I'm...

Sheik...
You're...

Wah!

TWIN-ROVA!

Well, shall we teach them a lesson, Koume?

They've made fools of us. I'm really pissed off now, Kotake!

With my fire, I'll burn you to your bones!

Link?!

Don't they have a weakness?!

Somewhere in this temple, there should be a shield that reflects magic! If we can find that--

With my ice, I'll freeze you to your souls!

Link?!

Hand
over
Princess
Zelda!!

ホホ
I wonder how
long you'll be
able to hold onto
that shield?

Damn
it...

My
hand's
burning!

I'm at
my
limit!

Stop!

Link, no!
You'll burn!!

Guaaa
aaaa
ahh!!

!Lord
Ganon-
dorf...!!

To be
done in
by our
own
magic...!
How
awful...

Link,
use this!!

What's
that?!

!?

I stole it from this temple a while back.

Eh... ah... well...

Naboru, you saved us! Where'd you find the shield?

See ya later, grannies!

Link could've died, y'know!

Sorry! I was bad!

Seven years ago, when Hyrule Castle was attacked...

Princess, what are you saying?!

Ganondorf invaded the Sacred Realm through the Door of Time you opened...

He obtained the Triforce of Power and became the Evil King.

Impa, if we keep running like this, we'll get caught eventually. So, it would be best to become one of Ganondorf's minions.

We continued to flee... as he chased us.

It's too dangerous! How on earth do you plan to--

Link may now
be sealed in the
Sacred Realm
by the power of
the Master
Sword...

I foresaw the
attack...
And I was
powerless.

..but he will
surely return
as the Hero
of Time.

It was
unbearable.

I will
become a boy.

Until he
returns, I
will also
seal Princess
Zelda!

I want to
become strong
enough to
protect myself,
at least.

Very
well.

Until "that
time", I will
put Princess
Zelda's consci-
ousness to
sleep.

It
shouldn't
be suspi-
cious.

If you tell them that you
are descended from
Sheikah that betrayed the
royal family and were
banished from Hyrule, and
only came back when you
heard of the collapse...

Hiding at the
breast of the
enemy may
indeed be the
safest option.

Now, live
as a
Sheikah
boy..!

Disguising
yourself as
a Sheikah
may work
well.

My Princess, please stay safe.

For listening to my selfish request.

Thank you, Impa...

As your attendant, I take pride in the strength of your wisdom and will...

...So that's how it was...

Though... it's a little sad... not being able to see Sheik anymore.

To be able to have this adventure with you... It was a lot of fun.

But wasn't Sheik always coming to Link's rescue?

See, I knew Sheik was really a good person. I just knew it!

In order to keep fooling the Evil King, I had to keep deceiving you, too. I put you in danger so many times...

You managed
to deceive
me for an
entire seven
years!

Princess
Zelda, you
Foolish
traitor!

Zelda
!!

If you wish to
save Zelda,
come to my
castle.

Kid!

CANON-
DORF--!!
