

Child Saga, Extra Chapter - Stalkid and the Mask - Part 1

Putting up decorations... practicing the songs and dances...

It's the time when the Deku Tree's reddened fruit splits open.

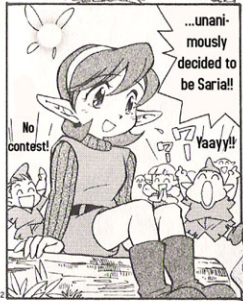

The Kokiri's Forest's annual festival that everyone really looks forward to is drawing near.

Everyone is busy with the preparations.

Okay... Let's decide the roles for the play.
The fairy princess is...

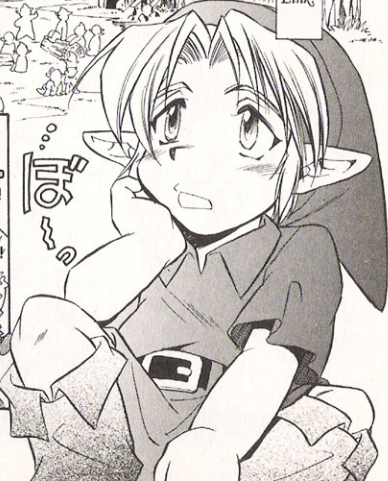

And what about Link?

No contest!

...unanimously decided to be Saria!!
Yaayy!!

ぼん

The lead role of the fairy prince, of course!

sparkle sparkle

Heh, only natural that she'd get picked.
What're you gonna do, Link?

How 'bout you, Mido?
Eh, I'm really lousy with plays and stuff. A role without lines would be nice.

Link

I'll beat the bad guys and save Saria!

Something like that...

DAMMIT!

Oh, Mido!

You are SO much cooler than Link!

Yeah, I think Link would be good for that!

All right... next is the prince.

WHA?!

Why is THIS clown the prince, when he's only a half-person without a fairy?!

HOLD ON!!

Wait a sec--

Moron.

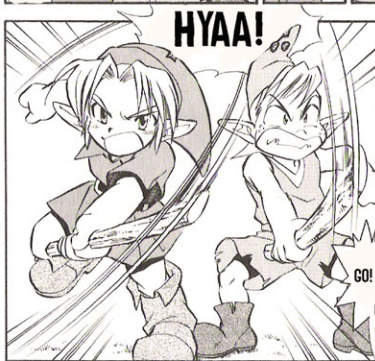

Ooh, me too!

Me, three!

Me, too!

Me, too!

Yeah, Link would be perfect!

HYAA!

I'm much more suited to be the prince than YOU!

Hey, that has nuthin' to do with being in a play!

Okay, we'll have an audition! GO! Both of you swing your swords!

Okay! All cast members make your masks for the play!

Oops.

Uh..

You jerks!!

Link! It's unanimous!

Why am I
the bad
guy?!

There
we
go.

This
makes
me SICK!

Yeah.

Mido-aniki*
is suited for
the role,
though.

We don't have
much time!
Hurry up!

What a
spectacular mess
this has become.
What am I gonna
do..?

Aah! Don't do it
that way! You'll
hurt yourself!

Grr!!
Damn
that Link!

chomp

chomp

I've decided
that I'll try
my best...
but for the
time being...

How's it
coming,
Link?

It drives away
evil spirits that
come in from
outside the
forest.

The mask of the
prince is made from
the branches of the
Great Deku Tree, so
it's very special.

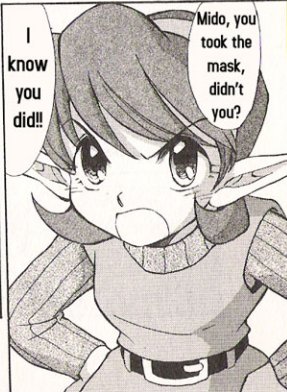

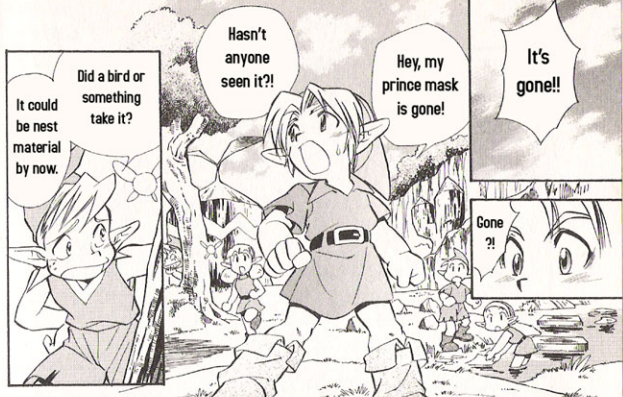

yawn

Let's take
a break.

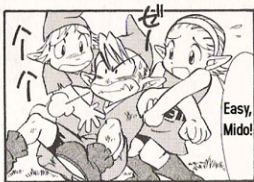

Hmm...

This play is important
to keeping the peace
in the forest, so you
have to put a lot of
care into making that
mask.

I'll make him
acknowledge
me!!

Hmph, I'm not
scared or nuthin'!
Damn that Mido!

Link-!

Liink-!!

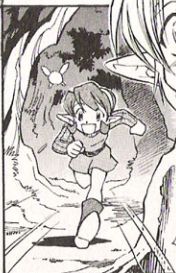

C'mon,
let's go
home.

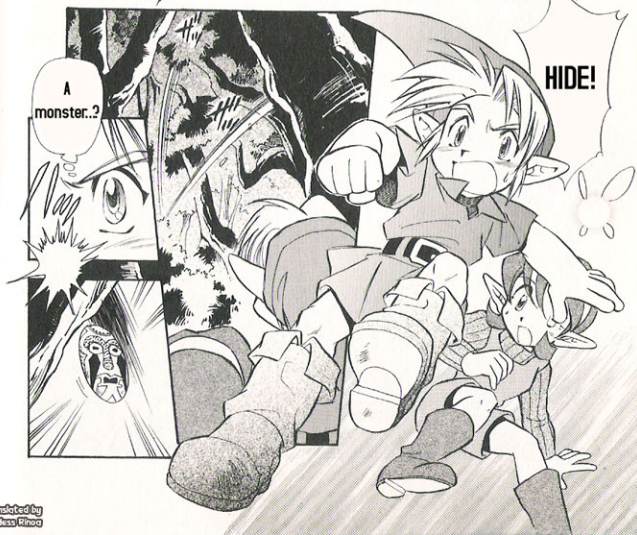

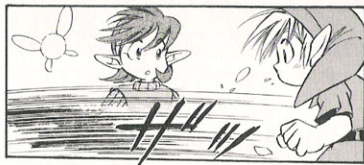

Why'd you
come here?!
It's dangerous!

But.. I was
worried
about you!

Saria?!

This is the Lost Woods... If you lose sight of the exit, you'll never be able to go home.

*Go home...
Go home while you still can...*

This is the Lost Woods, where the same paths go around and around... Growing tired from walking, you lose your soul and become a skeleton before you know it. Now's your chance - go home while you can!

...
Where are we?

Damn it, I lost sight of him.

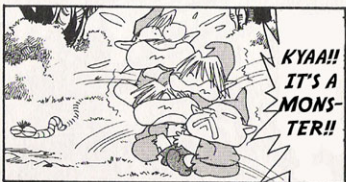

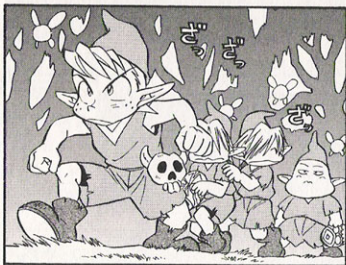

...
already caught within this forest...?

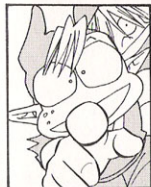

I wonder if we're...

They manipulate the hearts of people that enter the forest and don't let them escape...

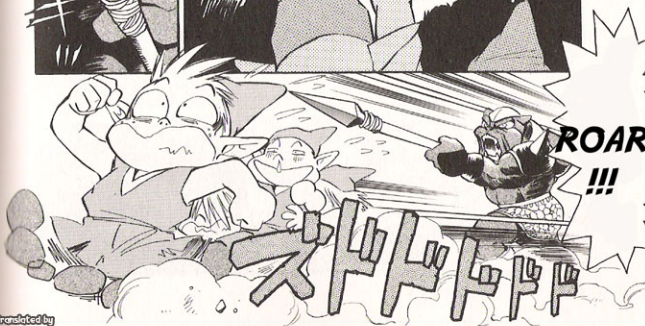

...There are really scary monsters in this forest...

...Hey, I've heard this story...

Although I'm sure I've never met you before!
Hee hee hee!

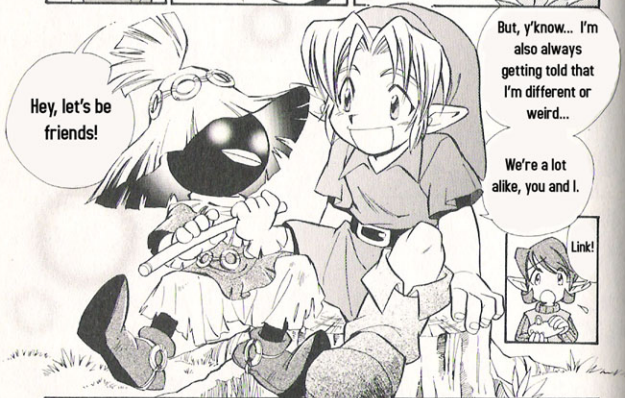

Your scent...
It's very nostalgic...
Familiar...

Why are you staring at me like that?

Weirdo
...

Huh?

I think he really likes you, Link!

Hey, let's be friends!

But, y'know... I'm also always getting told that I'm different or weird...

We're a lot alike, you and I.

Link!

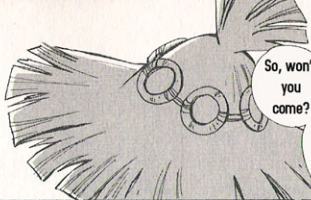

The whole forest looks so beautiful, like it's been lit up with lanterns...

It's the day that the Great Deku Tree gives life to lots of new fairy orbs.

A festival?

Oh yeah! There's gonna be a festival in our forest real soon. You should come!

.....

So, won't you come?

Everyone plays together and eats delicious things... We all have a really fun time every year!

A face?

Because... I don't have a face.

No way.

Why not?!

So... is that why you had the mask...? Because you don't have a face?

It's lonely without a face... It's tough.

Where you're from, everyone has a face, right?

Hee hee hee! A face!

Hee hee!

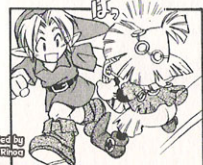

...You're giving it to me?

Then, I'll give you this.

NOW you can come to the festival, right?

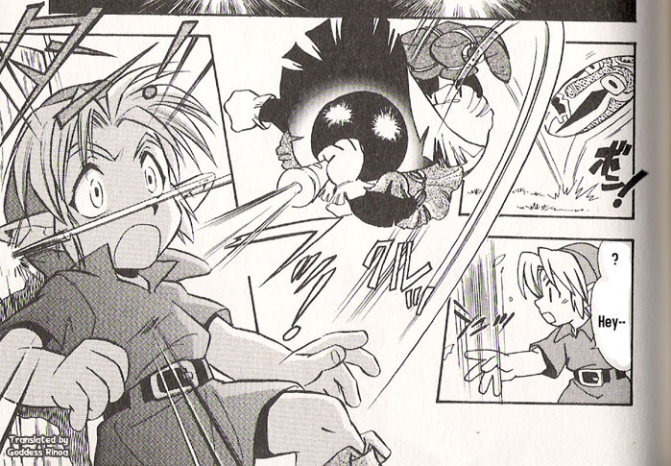

KILL HIM!

Kill him!

He's an enemy!

If he gets big, he'll kill our friends!

He is an enemy!

If you don't,
I'll just take
HER face!!

I hate
masks
like that!

Bring me a
mask that
I'll like.

Kyaa!!

SARIA!!

Kyaa!! Link!
Help me!!

What's
wrong,
Stalkid?!

You were my
friend until just
now, so what
happened?!

Damn it, what
the hell is
wrong with
everything?!
