

第四話

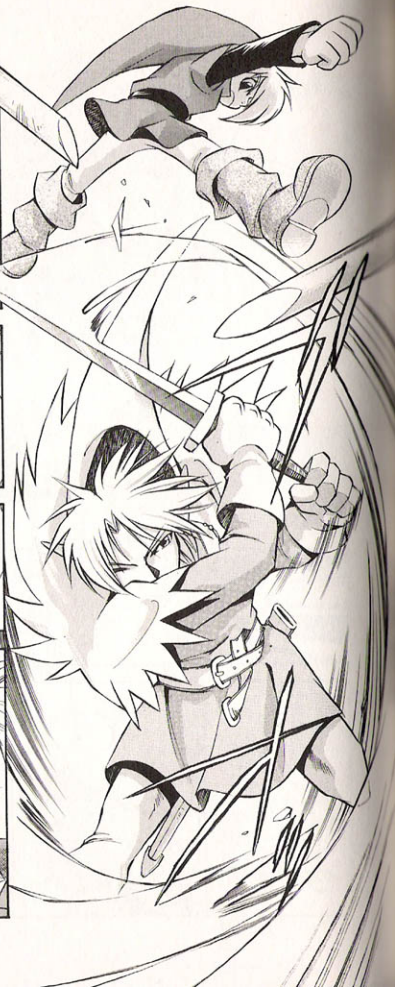

The Ruler of Laburennu  
Queen Anbi

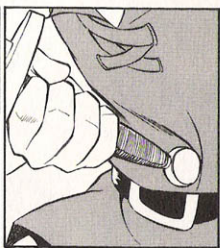

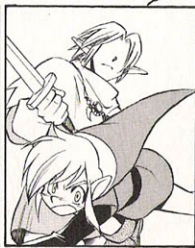

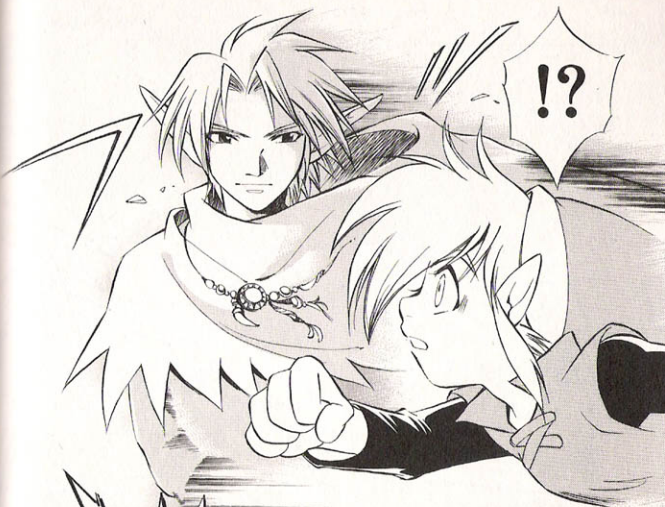

Catch that  
kid--!!

Yes, sir!

I'll leave  
him with  
you.

I will go  
report to  
her  
majesty.

Lord Raven  
caught the  
rebel!  
To the  
dungeon  
with  
him!!

More importantly, I have to get out of here.

Oh well. It's not like there's any way I could have seen a guy living hundreds of years in the past.

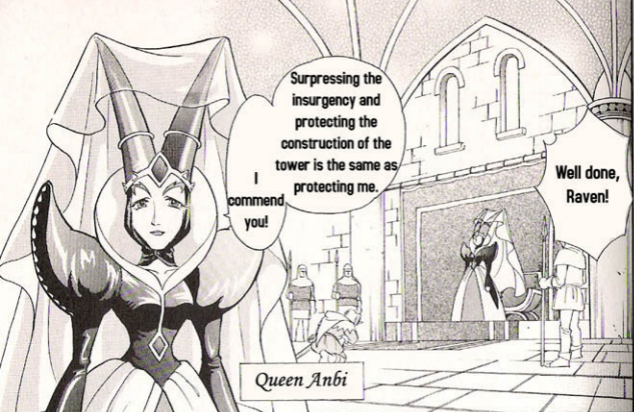

Weird ... I get the feeling that I've seen that guy somewhere before...

...in a place like this?  
What's a fish hook doing...  
Hey, I know! With this...

I don't know what Veran wants to do by changing Laburennu's history, but I can't let her do as she pleases!

Hm?

I can't really remember...

Suppressing the insurgency and protecting the construction of the tower is the same as protecting me.

I commend you!

Well done, Raven!

Queen Anbi

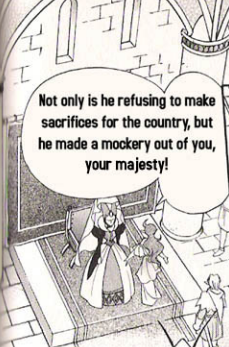

Good thing I was able to get the lock open with that fish hook.

Whoa, whoa. Careful, now.

Could that be the queen?

By the way, your majesty ...

Not only is he refusing to make sacrifices for the country, but he made a mockery out of you, your majesty!

I believe it best for him to be executed immediately.

About the rebel in the green tunic and cap...

Nayru!!  
No... Veran!!

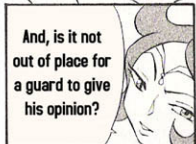

Y...Yes...  
It is as you say...

It is high treason.  
You must not allow him to live.

I beg your pardon ...

And, is it not out of place for a guard to give his opinion?

Though he is a child, he is a traitor that threatened the construction of the tower!

But he is a young child.

Isn't the punishment enough?

Raven! Your  
presence is  
no longer  
needed!

Yes, your  
majesty.

ニッ

Queen  
Anbi...

Have the  
rebel  
executed  
immedi-  
ately!

お!  
お!  
Threatening my  
tower?! That must  
not be allowed!

The Sage of  
Time, Nayru,  
has promised  
me the future!

The tower  
must be  
constructed  
without delay!

Even the women  
and children  
must work  
without rest!

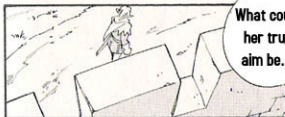

For  
Veran's  
"dark  
age"...

If that tower reaches  
the heavens,  
Laburennu's power will  
be shown to the  
neighboring countries...

...and your name as  
a great queen will be  
engraved eternally  
into history!

My  
name...  
eternal?

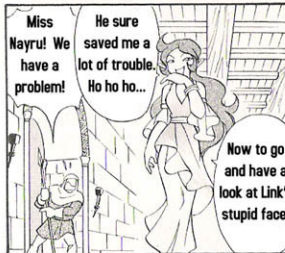

Aah, I can  
see it...  
That  
future...

What could her true aim be..?

Though... I wonder why she's having that tower built..?

Damn that Veran! I can't allow her to go around doing bad things in Nayru's body!

Miss Nayru! We have a problem!

He sure saved me a lot of trouble. Ho ho ho...

Heh heh. That went well. Now to go and have a look at Link's stupid face.

Good work.

FIND HIM AND CATCH HIM~!!

Damn you, Link...

Good work!

What are you doing?! FIND HIM!

I know defeating Veran comes first, but...  
I'm curious.

ホ

フ

Hm?

That bridge... I know I've seen it before.

Um, excuse me. What is this place?

? This is Lennu Village.

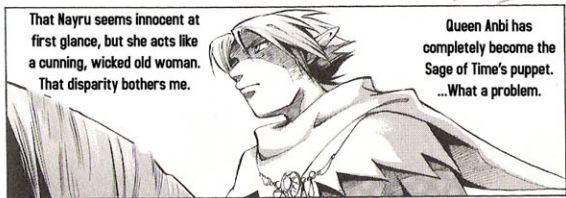

So it used to be just a little village...

Oh, I see! This is the Lennu of the past that will become the "city"!

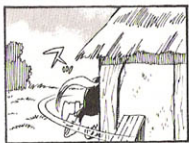

Yeah, I know, Pueeni.

Seems the boy got out without any trouble.

That Nayru seems innocent at first glance, but she acts like a cunning, wicked old woman. That disparity bothers me.

Queen Anbi has completely become the Sage of Time's puppet. ...What a problem.

I wonder where he went...?

H- Huh?

I have to hurry and talk to everybody and polish up our counter-measure.

But before that...

He started fishing, of all things?

There he is!

Fishing sure is nice.

Ssh!

Vacant times like these are precious.

Crap! I've been found out!

That fishing net over there!

Wha?

Give me the net!

Got it!

Um

...

Maybe he doesn't remember me.

He'll make a very nutritional meal.

His scales are shining. He ate well, and is solid and healthy.

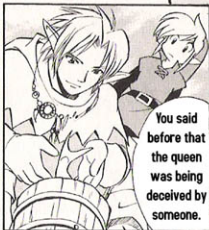

All right! It's huge!

He's talking like a totally different person.

What did you mean by that?

You said before that the queen was being deceived by someone.

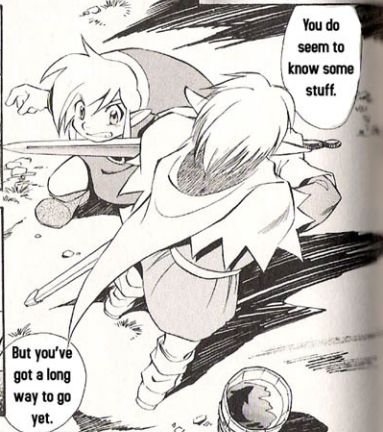

That fish hook!

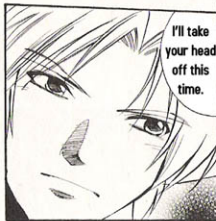

The one that intentionally left a fish hook in the jail cell ... was him?!

Don't move!

You do seem to know some stuff.

I'll take your head off this time.

But you've got a long way to go yet.

Dammit, he got the best of me again!

Aren't you being kinda unfair toward an unarmed person?!

Tch. Just when I was starting to think you were an all right guy...

Does that mean I'm dead, too?!

Yeah. This is where those that are supposed to be dead go.

This is... a cemetery?!

Isn't this the best place for a wanted man?

FINAL

The Ruler of Labyrinth  
Queen Aeth
